

# Mainstage Performance Series Membership Renewal Guide

At any point in the process, we are just a phone call or email away at 269-927-8700, option 1 and [boxoffice@lakemichigancollege.edu](mailto:boxoffice@lakemichigancollege.edu).

## Step 1: Log in to your account

**NOTE:** You must log in with the same email address you've previously used to purchase Mendel Center tickets (this is probably the email address where you receive informational emails from us).

This is how the system will identify you as a renewing member now and into the future, giving you access to the priority booking period and the appropriate discounts.

## Step 2: Select your first event

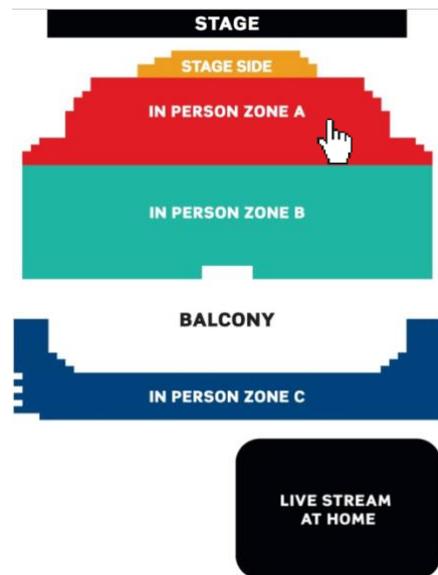

**If you are purchasing 3 or more Speaker Series events, complete your speaker transaction first in order to get the best discount on those tickets. The process is the same as what is outlined below.**

Click the **Performances and Events** tab and choose the first event you want to attend. Then click **Buy Tickets**.

Click on the area of the Mainstage map where you'd like to sit (or click your livestream option, if offered).

Enter the number of tickets you wish to purchase, then click **Continue**.

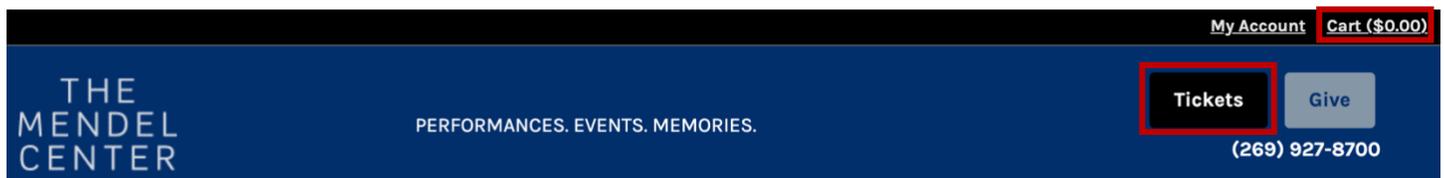

**NOTE:** You will see the full price listed. Your member discount will be applied automatically in your cart once you've added enough qualifying events.

## Step 3: Add more events

Click **Tickets** in the upper right hand corner to return to the event list. Repeat Step 2 until you have all the events you want in your cart, then click **Continue To Basket**.

**NOTE:** You are free to navigate around the website during your order. Your cart will keep everything you've already added while you look around. You can always click **Tickets** to add more events or click **Cart** to review your order in progress.

## Step 4: Check out

Once you've added all of your desired events, you should see your member discount applied to your tickets. If you already have tickets to any postponed events, the system will take that into account when applying your member discounts.

Follow the instructions to add a donation, select your ticket delivery option, review your address, and enter payment information.

### NOTES:

Special Engagements and Stage Side seats may not be eligible for discounts.

If you are purchasing varying quantities of tickets for different events, the discount may not apply evenly across all tickets. If you don't think you're getting the right discount, keep the tickets in your cart and call the Box Office at 269-927-8700, option 1. We will be able to see your order and troubleshoot for you.
